“*Thank you to everyone who honored Terry's memory, especially his friends and co workers at Delta Dental and those of you who came to Terry's memorial service. Terry's job at Delta was such a large part of his life and who he was. We were married for 34 years, and he never once lost his temper with me; or Andy & Rachel. He was the best man we have ever known, and our hearts are broken. There will never be another person quite like Terry. He was unique. Reading your tributes really mean a lot to us and help to ease our pain. Thank you, Joyce, Andrew & Rachel Green*

“*I have known Terry for over 20 years and always considered him a good friend and a very loyal employee. He was my boss for a number of years but during the early years we socialized together, drinking and golfing together were especially good times for us. Terry will always be remembered for his extreme knowledge of his work environment and will be sorely missed by us all. God Bless Terry and his family, and may he find peace in Heaven with Jesus.*
