“ I first met Terry in 1979 when I was appointed to the City of Sterling Heights Board of Code Appeals. He was a true professional and applied his experience and knowledge to each item that came before the Board. In many cases he even recommended changes that satisfied the Building Code but also was a better solution to the petitioner’s problem.

Terry often spoke about how fortunate he was having such a loving family. And Jan was truly the love of his life.

Rest in peace my friend,
