“ My thoughts and prayers have been with the entire Boehmer & Skurda families. TJ was such a special person, he had the unique capability to make you immediately feel comfortable in his presence. I will miss stopping in the street and talking to him for an hour, all the while, blocking the road and laughing at people who we annoyed. I will miss his infectious laugh and all of his mean tweets! Rest easy TJ, have a fire waiting for us and “Give Heaven Some Hell”

“ I will remember TJ as a multi talented individual who gave more then he took in life. He was blessed with skills that he developed over time that he learned from his role models, Sue and Ted. The foundation established allowed TJ the opportunity to carve out a life with a loving and caring family. TJ will be missed but not forgotten. When you think of TJ I hope your fond memories surface and create a smile on your face from ear to ear. May God Bless him. Rest In Peace.
