“ Mom, Myra, Bruce, Mark, Brian and Marie, I am so deeply saddened to hear of dads passing. I have so many wonderful memories of him. As teenagers me and myra couldn't wait for Saturdays to roll around so we could catch a ride with him to the mall. When my Kayla was a baby, she'd sit on his lap while he played Christmas songs on the organ for us. He always welcomed me into his home, which was pretty much 24/7. I could go on & on. I will hold those very precious memories in my heart forever. Please know you are all in my loving thoughts & prayers.

“ My heartfelt condolences for Ted's family. I knew Ted for many years and had a lot of contact with him through the police department~ he was a super guy and I was priviledged to have crossed paths with him. He was always upbeat and pleasant with a "Hi Smitty" whenever we saw each other, whether at work or at Sears. Ted had many friends in the City who will also miss him, I am sure. I am sorry to see him leave.

“ Aunt Pat & all my cousins, I am very sad to see my cheery uncle has gone from this earth. He always had a smile on his face, always up to a little mischief, always made me laugh. Hold dear to all your memories, he will always be with all of you....he loved you all very much! God's strength be with you thru your grief, hold on to each other. Sometimes sadness lingers, but just think about how much fun Uncle Ted was to be around, he would want you to put on a smile! Now he's playing the organ in heaven for God, what a joy! Sorry I can't come up to Michigan, but I wish you all peace & grace.
Love, Theresa
