“ I had not known Theresa for many years and regrettably it had been a couple since I had the pleasure of seeing her, she will be missed. Theresa had a big heart and a big personality. She was outgoing and enjoyed good times. You knew when Theresa was around because of her unique laugh, she too laughed often.

My profound sympathies to Mike, her family and friends.

Memories of The Heart

*Feel no guilt in laughter,
She knows how much you care.
Feel no sorrow in a smile
That she's not here to share.*

*You cannot grieve forever,
She would not want you to.
She'd hope that you would carry on
The way you always do.*

*So talk about the good times
And the ways you showed you cared.
The days you spent together,
All the happiness you shared.*

*Let the memories surround you,
A word someone may say
Will suddenly recapture
A time, an hour, a day.*

*That brings her back as clearly
As though she were still here,
And fills you with the feelings
That she is always near.*

*For if you keep those memories
You will never be apart
And she will live forever
Locked safe within your heart*

“ A social one, if she'd of been an actual butterfly, she'd of had some bright pink wings!!! Her type of strong existence yielded memories to last forever for Mike, Mon, extended families and her many close friends. My deepest sympathy and huge hugs to all.
