

Theresa D. Ingles

January 5, 1947 - April 4, 2024

Theresa Diane Ingles, a resident of Wayne, passed away on Thursday, April 4, 2024, at the age of 77. A daughter of Frank and Catherine Ingles, she was born on January 5, 1947 in Detroit, Michigan.

Theresa was a friendly, welcoming, and loving person to all who knew her. She liked to spend time with her friends, relax at home, and come up with new outfits to change into throughout the day. Theresa had a wonderful sense of humor and was never seen without a smile on her face. She had the kind of humor that could light up a room, the kind of smile that made you feel like everything was going to be alright.

Theresa was diagnosed with cancer and still managed to persevere, inspiring those around her with her resilience and unwavering determination to live life to the fullest. She was a faithful, humble, and thoughtful woman who would go out of her way to help others, even when she is in need. Theresa found her greatest joy in the happiness of those she loved, and her greatest accomplishment in their success. She taught others that the real measure of success is not what you have in your life, but who you have in your life.

Let us not dwell on the sorrow of her departure, but let us celebrate her life, her love, and her spirit. Let us remember her not just as a friend, but as an inspiration, a guiding light. Let us carry her memory in our hearts, live her

teachings in our actions, and spread her love in our lives.

Dear sister of the late Leona Ingles.
