“ To my beloved Godmother, I remember and will forever cherish the spirited memories of you as a child and young adult. Your radiant smile, kind encouraging words, and eternal optimism. Your earthly life dealt you a very challenging hand, and most individuals would have collapsed under such heavy burden, but you courageously accepted them and lived on giving thanks for what you did have. Unfortunately as time has rapidly advanced I deeply regret not having been able to see and spend time with you. My prayer for you is that your transformation from this earthly life to your eternal one is expedient. You will be missed but always remembered in the hearts of all those who have been blessed to know you. Love, Ricky
