“ John 14:1-4 Let not your hearts be troubled. Believe in God; believe also in me. In my Father’s house are many rooms. If it were not so, would I have told you that I go to prepare a place for you? And if I go and prepare a place for you, I will come again and will take you to myself, that where I am you may be also. And you know the way to where I am going. Even though I walk through the valley of the shadow of death, I will fear no evil for you are with me your rod and your staff they comfort me Terry Your beauty will light the path to your final destination we will always love and miss

“ I work at St. Joseph Mercy hospital and have met Theresa a few times, she was my husbands nurse and while he was in recovery. She was the BEST.. You could tell she had a very big heart and really cared about her patients. Even after my husbands surgery she would see me and ask me how he was doing. She will always be remembered to me as so kind and giving. May she rest in peace. So very sorry for your loss.
