“ Dear Mary Ann, Rick, Dave, Joe, Tina, Tommy and Dottie, I am so sorry to hear of the passing of your Mother. I never really knew her until the last few years as I never really talked to her but I would stop and talk to her if I was going to my family's house and seen her on the front porch and let me tell you, I wish I did talk up a conversation with her when I was younger as what a very nice and respectful lady your Mother was. I really enjoyed those talks with her and of course all of you are my friend, but Tommy was my closest to me of the bunch of you and he would be there and myself and Theresa and I just loved to talk about when we were kids or how she likes to spend each day and she was just so nice to me. I will miss seeing her on the porch and stopping and or waving hello to her. I know how all of you are and have been to me and your Mother brought up a beautiful, loving and friendly family and I will always have all of you as a close friend even though we do not see each other much anymore these days, the memories will always be there and enjoyed. I Hope you can forgive me for not being at the Funeral Home for you as I just today heard of your Mother's passing. I know there will not be a minute of any day when you won't think of her and the memories are what will help you cope with the loss of her even though she actually is and will still be with you all forever. Again, my sincere condolences to all of you. Your loving friend always, Lawrence (Larry) Beauregard.

“ *As a boy very unsure of himself Mrs Zugaj always, Always made me feel right at home when I would visit. She had a way about her that made you feel, welcome and that you belonged right where you were. She did a extremely good job of imparting that ability to her children as well. Later, as an adult I realized what a very fine woman with a heart of gold she had always been. I always enjoyed seeing and talking to her and would seek her out at family get togethers. She will be missed by all who knew and loved her.*
