“ We all must succumb to the "circle of life." However, it ended way too soon for Tommy who enriched and enhanced so many lives. He always found a way to make the best of every opportunity and a setback was definitely only temporary. When speaking to Tommy I always felt like I had just visited the doc who gave me a feel good shot. His humor was infectious and the laughter just poured out with each and every conversation. One could never leave after talking with him except feeling exceptionally well. I will miss him greatly and my condolences to you Renee.

“ Renee, so sorry for your loss. One cannot forget his infectious smile and constant sense of humor. God broke the mold when Tom was brought into this world. He truly left such a great impression in whatever setting we had to the opportunity to share with him. Rest in peace Tom Bosbous, you will be fondly remembered. I am sure you are seeking one more hole- in- one on Gods golf course.

“ Renee, my deepest sympathy to you and your family! The world is a sadder place without Tom! Like you Renee, he was always a sweet, funny and generous person. I had the pleasure of knowing Tom since the fifth grade at St Bartâ??s. I also remember fondly the hours we spent working on the school paper at Pershing. Rest in peace, Tom!

“ A true friend has left us today and my thoughts and prayers are with Renee and all the family. Tommy was like a brother and we would spend many hours reminiscing and getting lost in conversation. I will miss him deeply. Love

“ As my brother George would say, "We are just a brief gift on this earth". Tommy was "a gift" to everyone who knew him. He was charming with a contagious smile and a funny story to keep you entertained and laughing for hours. Renee was the love of his life, as he told us often. I'm sure Tommy will have a "few choice" words for St. Peter as he enters the Pearly Gates!! Dan and I send our deepest sympathy to Renee, Joey, Carol Ann, and his family.

“ He sure will be missed by many. Growing up if my family knew Tommy and Renee were coming to town we would make sure that when he went to my parents house we went there to visit he was a ray of sunshine then and I know that he will be a ray of sunshine in heaven. Renee know that we are thinking of you and the rest of the family
