“ *Growing up with the Coonan boys created many memories. I once caught Tommy and my brothers smoking and Tommy told me there weren't cigarettes - it was something he baked in the oven so it was OK. I asked him to make me some and every time I would see him I would ask him if he had any but he kept telling me they had cracked during baking.*

“ My best memory was going to an ALL Day concert with Tommy Coonan, Mary Fazioli and a few others at Freedom Hill. What a blast we had!!!! I still tell my kids about what a wild time that was and what Great memories were made that day. It seems like it was only yesterday. My daughter's always wished they could of met the funny guy I always shared such memorable stories with. Although I've not seen you in years Tommy, you have brought many Great memories to my teenage years and they will never be forgotten!!

*So many stories to mention about Tommy, but one sticks out in my mind. Every other weekend we either camped, or went to a concert. Once up in Lake Michigan, camping on a white sand beach, someone had dumped out their coals from cooking, into the sand. Well, naturally, Tommy stepped right in the middle of it, jumped straight up like a cat, and said, " that sand is 1,000° hot. Long story short, the bottoms of his feet turned into huge waterblisters and he ended up crawling around on his knees, in the dirt, the rest of the weekend..poor guy had the worst luck every camping weekend. One time, Salmon snagging, at the Foot Damn, he wrestled with a four foot Coho, on a foot of mud ground, just so the fish didn't get away.. He always wore that tan swade floppy be hippy hat~ I miss him so much all ready..RIP Daddylong legs....*

“ To this day I still remember the first time I met Tom. It was the 2nd or 3rd day of high school. He was wearing a Zeppelin T shirt and I was wearing a Rush T shirt. We got into a friendly argument about who was better. We became good friends after that . We have had a lot of good memories since then. Gonna miss you my friend.
