“ I am so very sorry for your loss. Our thoughts and prayers are with you and your family. Living next door to you growing up, your house and family hold a lot of vivid memories for me. Far too many to mention here. And your family has been through far too many losses lately. Losing both parents very sad. My heart aches for you.

“ Our deepest sympathy to the family.I will miss fishing on the St.Clair River chugging with white balloons and also going pheasant hunting with Patches,the greatest hunting dog in the world.My Son Scott and I surprised Tom with a visit up north and the look on his face was priceless. He thought it was going to be Mark's friends arriving. We played Euchre all night and sorry to say the Hinz's won. Good Times....Your Bro Always Donald Hinz
