“ I went to Wayne State with a Tom Doll. I have tried for decades to find him. He was a CPA, passed the exam first pass, if that helps, wife name was Linda, daughter Kirsten. Any help would be appreciated.

(He drank his coffee with cream, I remember that from Wayne State days, long ago)

“ Hello. I'm not sure if this is the Tom Doll that I know, but it might be. I was Toms hair stylist for the last 20 years. I worked in Madison Heights. I know he was fighting lung cancer and then emphesema. He had an appointment with me on Tuesday the 22nd and he never showed up. I called him and didn't get a call or text back. He was a good customer and a nice man to talk to. If he did pass away I would like to offer my sympathy to his family and I am glad is is at peace now and not suffering. God be with your family in this time of sorrow.

*I met Tom close to 3 years ago at Etkin in Walled Lake. My company cleans their office. I would see Tom 3 times a week and we had many great conversations. We never did make it to the Casino together as he got real sick quickly. My deepest condolences. God bless.
