“ I'll always remember Tom fondly since he was the first boy I ever kissed. It was summer 1971 and we were 14. Even back then Tom was a nice guy and impressed my parents since he was so polite and he worked at St. Kieran's. He even played chess with my little brother teaching him the “4-move checkmate”. Tom and I lost track of each other after graduation until one day while driving down Shelby Road sometime in the 80's, I saw pumpkins for sale. It turned out to be Tom's house. We never ran into each other after that even though I probably visited Filippa's a half-dozen times over the years. I can tell from his Obituary that Tom led a full and happy life even though it ended way too soon. Having lost both parents, I know what loss feels like, so please accept my sincere condolences. His family is in my prayers.

“ I worked at Filippa's 15 years ago. I have always had a lot of pride from the fact that I worked at such an outstanding restaurant. That doesn't just happen, that's great leadership. The boys... Joe, Tom, and Rob made sure they hired the best chef's, staff, and management that they could find. That is why I went from employee to customer. My family has had some of the best Graduation Parties because of you guys. I am so sorry for your loss Rob and Joe. I know Tom's kids will not have to look far for great male role models, they have you two. Sending love and prayers, Marilyn

“ I am so shocked and sorry to hear about Tom's passing. I went to High School with Tom; and although I haven't seen him in years; I remember him as a very friendly, fun loving person. I remember exchanging pleasantries with him at his restaurant. May God bless your family with his love and strength during this difficult time, and may fond memories of him live on forever in you heart.

“ We share your grief, as we just last month went thru this with Leroy's younger brother, David Hocking. We lived down the street from the Fiori's and our son, Dale, who was in his class at Eisenhower used to deliver papers to the family. Many times we ate at their "famous" Utica Restaurant. Our Kiwanis Club who met there will be very saddened by Tom's passing. Thoughts and prayers go out to you and your family. Our daughter, Beth Hocking, who now resides down here just informed us about Tom. God be with you !

“ To the Fiore Family, So saddened to hear about Tom's passing. He was definitely shortchanged. Although I only met Tom once, Brittany always said good things about her boss, Tom. I appreciate the great experience that Brittany had at Filippa's as this was her first job. Tom, thanks for instilling punctuality in Brittany. I always believe that it is better for our children to learn it from someone else. Tom, you'll be dearly missed. My heartfelt Condolences to your family. “ Dear Fiore Family, Although I have only had the pleasure of working at Filippa's for a short time, Tom made me feel like I had been there for years. He was kind and had patience Lord knows he could lose it sometimes but he would recover quickly and we would laugh. We had many good talks about our Families, children and life in general. He was a great boss and friend I came to admire and respect. My heart is broken for the family, life will just never be the same without him. I will miss you everyday Tom, with your "Hey Blondie" or on somedays "Gertrude" not sure where that came from. I will always miss your crazy sense of humor, silly stories, and contagious laugh. “ My thoughts and prayers are with the Fiore and Filippa's Family... It has truly broken my heart that Tom is no longer with us on Earth anymore, but I know that he is all still with us in our hearts. He touched so many lives and was a very generous man. I feel so lucky to have been part of his life and Filippa's. I would not be where I am today without his involvement in my life. I owe so much to him and will never forget anything he has taught me. I will miss Tom very much and think of him often, especially whenever I see a Lobster, Eat ribs, or fix a jammed printer...: I will miss Tom's guidance and companionship as it was one of a kind. I will never forget him and will carry his thoughts with me every day... Love you Tom. Ann

“ I was sorry to hear of Tom's passing. Although I have not seen him since Junior High I still think of him as my boyfriend in 7th grade, but I was so shy I hardly spoke to him! I had thought of him recently because Tori Fiore has been in the local news. I could not help but to wonder if he was related to Tom, and what Tom was doing now. Sounds like he was blessed with a wonderful, full life!! My thoughts and prayers are with the family.

“ My heart is saddened by the news of Tom. I worked at Filippa's and The Vintage Grill for 10 years during the 80's and 90's. My rehearsal dinner was in the banquet room, Tom helped serve. While working for Tom and the family, employees had to work for him for a bit before he remembered their name. I used to kid him about this. One day, we were in the banquet room either setting something up or cleaning it up, there was a discussion and the name Alice Cooper was mentioned. He looked up and said "does she work here?" Throughout my career after I moved on from food service, I always looked back fondly on the wonderful days I was a part of the Filippa's family. My thoughts and prayers are with you.

“ I was saddened to hear of Tom’s passing. Tom was one of my best students in third grade at Morgan Elementary. He excelled in math and reading. Usually, he finished assignments before the other students. With an abundance of energy, he sometimes got in trouble minor, but he was always respectful and eager to please. He actively participated in class discussions. Even after more than forty years, I can still see, in my mind’s eye, the happy eight-year old boy who was full of spirit and potential, ready to shine his light on the world. My prayers are with the family during this difficult time.

“ Alayna is best friends with my daughter Jessica, and I was just starting to get to know Tom and Sharon. I wish I'd met them sooner, because now I realize I missed out on knowing an extraordinary person. Tom was such a good sport about the annoying garage sale Sharon and I held. The early bird shoppers were NOT the kind of birds he wanted to see during his peaceful morning bird-feeding routine, but Tom was very supportive anyway! Tom raised four very fine sons, who were often around helping him maintain the backyard paradise he created. He worked hard and unselfishly loved to see his wife and daughter go have fun while he worked. Tom, we will look after Alayna this summer and try to help her have fun, because that's what you would want. Life is too short, and I'm glad you lived it to the fullest and shared it with such a wonderful, happy family.

“ My most sincere condolences go out to the Fiore family. Tom will be forever missed but never forgotten. He was an amazing man, boss and mentor. Always going the extra mile to make sure that I was smiling and growl or do something weird/funny in passing to make me laugh. Whenever I asked for anything his response was always the same, "Anything for you Dawnielle, you know why?" and would not do it until everyone heard me answer, "Because I'm your favorite." Another silly memory is when he brought pink band-aids in for me and told me that the normal ones weren't pretty enough for me to wear! do hair & had cut my finger several times that week Filippa's will never be the same without you & you will forever live in our hearts~ Love, Dawnielle
