“ Mrs. Hack, Jim, Ken, and family. I was so very sorry to hear of the loss of your son and brother. I have known Tom for over 40 years. We were classmates in 4th grade in Miss Sullivan's class at Lakewood Elementary. Even back then I can remember Tom's laughter. He laughed 24 hrs a day, 7 days a week. His laugh was infectious. I can remember watching Robin Williams and thinking this guy is not funny. Now Tom Hack, he's funny. Tom lived life to the fullest, and he was always the life of the party. I've had some great memories with Tom in Junior high, weddings, bachelor parties, and even at my office. I will miss Tom as will everyone who was ever touched by his warm caring side, and by his great sense of humor. May God watch over you and take care of you during this difficult time. My prayers go out to you and your family. My Deepest Sympathy, Jim Skoney

“ Words cannot begin to describe my sadness when I heard that Tom passed away. I was told by Jim Skoney yesterday. Jim, Tom and I were great friends at Lakeview and we continued our friendship well after we graduated in 1979. Tom would always make us laugh, to tears at times. He always saw the happy side of life and you could always count on him to bring you out of the blues no matter what. He simply love people and cherished his friends. There is an empty place in my heart now. I live in California and wish I could have been there to see my dear friend off to the happier place that he is now in. I know that I will see him again and I will give him the biggest hug ever. He's my buddy, my pal and my cherish friend who I shared many, many, many wonderful times with. Good and other! I always miss you my friend. Love and God Bless, Alain 818-456-8478 alainguiboux@yahoo.com

“ So sad to here that Tom passed, he and I were the best of friends in high school, everyday we would go out walking the streets looking for action. He was always so funny, great to be around. For a few years there we were the best of friends. One day day when we were seniors we got into a big fight over a girl because of course Tom dated her first and I liked her and asked her out Tom got pissed so we fought. That girl Janet turned out to be my wife and we are still together after 29 years. I guess we have Tom to thank for getting us together. Both my wife and I and our friends have very fond memories of Tom, his friendship and his humor. We send with all of our most heartfelt condolences to all of Toms family and his friends our deepest sympathy and prayers in his passing.
