“ Both Dora and I were saddened to hear about Tom's illness and subsequent passing. I met Tom in 1990 when I joined the Auxiliary, and I believe he's one of the finest individuals I've even met. He outfitted me with all my Auxiliary needs from the 90's and until just prior to his disability. For all those years, just a phone call was all I needed to make and I knew my items were on the way. Of course I need to mention Judy as well, who tailored and sewed my uniforms. Tom will certainly be missed. May the Lord bless and keep him and give comfort to his family and friends. Billy/Dora

“ I was so sorry to hear of Tom's passing. I got to know Tom when he came into Jimis restaurant where I was a waitress. He was always such an easy-going guy and always knew what he wanted. He often had soup with two packages of oyster crackers! He would say don't bring those saltines! I will miss him.

“ Dear family please accept my deepest sympathy for your loss of your dear father Mr. Hallock Jr. . Please find comfort in God's soon to be realized promise in Revelation 21:4 "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.â? As the weeks pass please reflect on the fact that â??Jehovah is near to those that are broken at heart; And those who are crushed in spirit he saves.â? Psalms 34:18. I pray this helps your family as it has mine during loss.
