“ I just wanted to give my condolences and say I'm truly sorry for your loss. I can honestly say that Tom was one of the finest Christian men I have ever had the privilege to know. I can still remember meeting Tom for the first time so many years ago at Beaver. He was my first engineering mentor and coached me in so many ways. Though we all have heavy hearts, recall that the “The righteous cry out, and the LORD hears them; he delivers them from all their troubles. The LORD is close to the brokenhearted and saves those who are crushed in spirit.
(Psalm 34:17-18).

“ *What a wonderful friend and brother he was. So many memories of being together with family and growing up with him in our home. He was so full of compassion and love for everyone. No one was ever turn away when they need something. When I stayed at his house because of the winter storm both Tom and Janet were so kind to me. He will surly be miss by so many. He is with God and God is telling him "Well done, good and faithful servant. You have been faithful and I will put you in charge of many things. Come and share you masters happiness" See you soon my brother and friend.*

“ *What a great loss. I remember the days at the Old Beav when we had Bible Study with Tom on a weekly basis .. very knowledgeable and cared so much for all of us to make sure we knew the Word and God's love for us ... I'll always remember one of his sayings "That's the basic problem!" My love and prayers to all the family.*
