“ I've lost track of the Oakland U. group over the years, but was saddened at the news of Tom's passing. I remember his ready smile and his unique and funny comments on life. And his kindness to this junior member of the group. My condolences to his family on their loss. Sincerely, bj LeBlancBurt

“ Well, the loss of a Cousin may seem like a general life occurrence, but not when the Cousin is one of the great Kampsen family. We Cousins are akin like our parents were, even though we don't see each other that often. Judy, Dan, Diane & Janice, our thoughts are with you. As well as, all the other unique Cousins.....We are all getting old.....We will miss you Tom.
