“ It was a pleasure working with Tom at GM and at the Silverdome. I will always remember the times we were together at any Men's Club events and Tom made those times so enjoyable. I learned a lot from him and will miss him. Our prayers are with his family. Sam & BArb Faieta

“ Pat & family - We have lost a great man. He was always there for you no matter what. When I first started at Design I knew any questions I had that Tommy would answer and help with those darn PR's that were hand written and you couldn't read what they wanted. When I told my husband that Tommy had passed on he looked at me and said "the funny one that always made you laugh?" Rember, if you think of him just once a day, he is never gone. Love Patti

“ To Pat and Family - I was truly sadden to hear of Tom's passing. He was a very kind man and always made me laugh. Despite his recent health issues, he was a trooper and showed up at Special Olympics to lend his support. I know it was difficult for him to be there but his determination and commitment was a role model for the rest of us. He will be very much missed. You and your family are in my prayers. Although I will not be able to attend the service and pay my respects, I wanted to express my sympathy to you and your family. God Bless!

“ Dear Pat and Family I am sorry about your lost. Tom was to young. I guess you know that Chuck passed away 4/19/06. From Lung cancer. 75 I am very sure your family will be there and a big help to you. Tom will be missed by all. He was a good guy. We had some very good times at the Elks. Expecially at Bingo, just donating to the cause. I also remember the day Tom asked Chuck if he needed a pair of shoes, army shoes For \$5.00. Chuck wore those shoes everyday. I had them resoled and heeled. Never wanted to wear dress shoes. If at anytime you feel like talking I am a good listeriner. It will be hard loosing a love one. Always have a positive attitude. That is the one thing Chuck kept telling me. Take care. Take on day at a time. Love Lori White.
