“ Dear Cindy, family and friends, it was sad to hear that Tom had passed away. I have fond memories of times together as we served as General Officers at the United Association. Tom was a good guy and you all will miss him terribly. Please accept my sincere condolences.

“ Mr.Mac “Dad”... I miss you already so very much! You were such an amazing man! You had the biggest heart and helped everyone with anything and everything! I will always remember you telling me tricks for the garden or how to grow a tree from a seedling in our backyard. So many fun memories with you over the years I’ve been with Tommy and with all of you. I’ll miss you standing behind me telling me the next euchre move and trying new red wines. Playing C.L.R., bonfires, catch with the dogs, tigers on the radio, good tunes on the radio that you would tap your foot to, the immaculate pool, beautiful backyard, cool Strohs stuff, and your famous Santa’s workshop sign... there’s just so many amazing qualities and memories I will always treasure! You will always be remembered for having such a successful career, being such a wonderful family man, husband, father, brother, PaPa, and for me my father in law to be. I love you and am so blessed you were in my life! I will look for in rainbows 🌈! Rest easy.

“ You were such a very classy man. We loved when we got together and was able to share a few drinks. You were kind, Caring and Hard Working. Your yard is just beautiful. You will be missed terribly and we all will make you proud living what you taught us. Until we meet again. RIP Sweet Tom. Xo

“ My cousin Tommy was a great guy, and will be so sorely missed. He adored Cindy, and they made a beautiful life together. He lived for Melinda and Tommy, then Madelynn and Misty, and took such joy in all of them. He was devoted to his late parents, and stood with his brothers and sisters in great times and hard times. His many nieces and nephews and cousins were simply crazy about him.

I told Cindy yesterday how he ragged on me when I bought the house next to Aunt B, and was determined to spare my lawn nasty chemicals. I was going to pull my dandelions one by one, to Aunt B's horror. He was dispatched to talk sense to me. "C'mon, Janie, you're not stupid! You know when you pull one there will be umpteen more! Sheesh, do you need a couple bucks? Stop making B crazy, because I'm tired of listening to it!" He could be utterly hilarious.

We could always bank on him. He did his family proud. Eternal rest grant unto him, and let perpetual light shine upon him. May his memory be a blessing.

*Love to all.
