“ My memories of my "uncle" Tommy are vague, as I knew him best when I was a child. I remember big hugs, laughter, feeling safe & happy. I think he taught me how to shoot a gun at the lake. My prayers and Sympathy are with your family. ~ Death leaves a heartache no one can heal, love leaves a memory no one can steal. ~ He will be remembered.

“ Wish I would have had more time with Mr. Mullin. He and Mrs. Mullin were always really good to me. I'll always remember going back into the computer room and listening to old country and Irish music with Mr. Mullin. I'm glad I had the chance to get to know him!

“ I am so very sorry for your loss. With the angels he shall wait, for a time when you can be together again. He has entered his next journey to the Heavens, where he shall be painfree and able to watch over his loved ones. Again I am so very sorry. Pat
