“ *Mr. Peterson was a fantastic teacher, one of my all-time favorites in all of my education. I had him for 8th grade social studies in 1971-72. I remember the way he integrated music (from a record player!) into the American history units, particularly the Erie Canal and Civil War. I loved doing the reports on each topic and still had many of them until they got wet during the flood of 2014. He was also my neighbor, as I lived on Woodland almost behind him. My thoughts and prayers are with your family on the loss of a fine man.*

I am sorry I haven't seen this obituary before today. I am so sorry for the loss of your dad. He was always do entertaining in Social Studies at Jane Addams when I had him in 71'-72. It's very hard to lose our parents.
