“ I can remember going to your parents' house and seeing the tallest Christmas tree ever. We always had a great time when we visited them at the house on Lincoln and their home in Berkley. Uncle Tommy came to my rescue when I was having trouble getting money from my insurance company after my car was totaled. He wrote a letter to the company for me and I was able to get my money. We always had happy times on Christmas day, when we all got together at Aunt Lyda's.

“ We were very sorry to hear about your dad's passing. We enjoyed seeing your dad and mother at the Hickory Square Church Homecomings. We loved talking and reminiscing with them about the good ol' days on Dry Hill. People like your parents only come along once in a lifetime.

“ I loved your Dad's laugh. It was highly contagious. When Mum passed away, Uncle Tommy stayed nearby to check up on me and make sure I was doing okay. His gentle words helped me through a very difficult time in my life. Mum has been gone 30 years, come November and I still remember his kindness to this day. My thoughts and prayers will be with you through this sad time.

“ I am one of the Herrington "kids" who have lived in Ferndale for many years. It was always a happy time when "Tommy and Lucile" and, often with Aallan, came to visit our home in Ferndale, Michigan. I often thought we were cousins. Tommy and Luciille were such a wonderful help to me a few years back when I was working on a "Family Tree" project. Numerous pictures and newspaper articles were supplied to me since we had som contact with them a short number of years ago. Your parents came to the house often and also to the funeral homes when my mom apassed away in 1946 and then when it was my dad Claude Herrington in March of 1988. Your parents and my parents stayed fairly close from the time they moved from Dry Hill in Pennsylvania to jobs in Detroit.
