“ Dave and I are sending our heart felt condolences. Losing a loved one is so very hard and with deep sympathy we are hurting for you and your family. He had such a struggle the past few month and it was hard for you to see him suffer so. God in his mercy took him home and he is not suffering any more. Sadly he couldn't make it to his favorite spot up north anymore. An era at the park has ended with Tom and Jerry riding their bikes and waving at folks as they were riding by. They were known everywhere. Our thoughts and prayers are with you, God Bless. Dave and Felix

“ My first encounter with your dad was about 13 years ago at your home. In the course of the visit he discovered I did not have a cell phone. He REALLY encouraged me to purchase one, expressing concern for my safety as a single woman. Later we went to dinner and he insisted on paying. Always a gentleman! He really touched my heart. God bless him and all of you!
