“ Dear Cathy and Family, Just learned of your dad's passing. It was a true pleasure to meet your dad several years ago--a true gem of a gentleman. Cathy you were a wonderful daughter and your dad appreciated all you had done for him. Please accept my heartfelt condolences on the loss of your father. His difficult journey has come to a restful end with the love surrounding him of family. This is the best gift you and your family gave to your father. Wishing special moments in memory to help ease your sorrow; and, know caring friends from all walks of life are thinking of and being with you and your family now. Love Cheryl

“ Dear Cathy and Tom, So very sorry for your loss. I'm sure he lived a fulfilling life with your mom and enjoyed you, his children also. I still remember outside your home on Longfellow with the scottie dog, Pepper. Please be at peace.

“ Dear Cathy, I just learned this morning that Tom passed away. I am so sorry. As you know, he was a special man and I will always remember his smile and bravery. Most of all I will remember his deep love for his family and how he missed his beautiful bride. I'm sure they are dancing together in Heaven.
