“ *Words cannot express the heart breaking feeling inside of me to hear of the loss of my dear Uncle Tom. So many wonderful memories have been shared over the years. A few of the memories that will always stay with me are that Uncle Tom always had a smile with a joke, a pocket full of rubber bands and his special pop noise that he'd make to greet you hello. I know that there is rejoicing in heaven now that the children of Joe and Emily are united together. They will prepare a special place for those of us that are to follow. Rest in peace my dear sweet special uncle. Please know that Aunt Lois, and the families of Tom and Rick are in our hearts and prayers at this time of loss and grieving.*
