“ Sharon, you and Tommy are very kind people. Tommy will be deeply missed, we remember both of you coming to hockey, like true Grandparents, and Tommy always had the coffee ready every morning at camping, or if someone needed help with something, Tommy was always there to lend a hand. Our Love, prayers and good memories are with you. Love Mike & Rose Ann Ackerson

“ When one gets older, such as I, you start to re-define what a friend, a real friend, means to you. And my list is a short one. Who else but Tommy could be at the top of that list? My blessing is that our paths crossed and that I was smart enough to realize that by listening and talking to this good ol' boy made me a better person. And now he and Gene are together and swappin' those great tales that best friends spin.
