“ Dear Donna & Family, I don't know if you would remember me or not but Andrea use to play with my daugther Sara. I just want you to know how sad I was to hear of your loss, Dr. Hramits was much too young. He treated my mother while she was alive and was always very kind. Your family is in our thoughts and hearts. Andy & Therese Marocco Washington Twp.

“ I offer condolences and all my love to my beautiful family on the untimely loss of this sweet and caring man. The Lord took Tim home far too soon, but He must have had a reason, and we can all hope that each of us will greet him once again, someday, in heaven. I believe we all admired Tim for his many, fine attributes. Devoted to his profession, Tim helped restore people to health for over three decades. He was a man of faith and loved his family. He had many friends and enjoyed a variety of hobbies he shared with them. He had a wonderful sense of humor. May God rest the soul of Tim Hramits and give strength and comfort to Mom, Donna, Andrea, Nathan, and to his sisters. Love, Mark

“ Mrs Hramits & family: We are so sorry for your loss. Not co-workers or fellow employees, but patients of Dr Tim for a long time. He was truly a caring man and always took the time to sit and listen & he never, ever made us feel rushed. When you left his exam room, you felt like his friend! We, as you, will miss him terribly. You will be in our prayers.

“ Donna and family, So sad to hear of Tim's passing. Cousin Tim was quite a bit older than me so I didn't get to see alot of him growing up, but he was somewhat of a legend in our home. One of our neighbors on Roseland in Royal Oak, Mr. Stack, went to school with Tim and would say that it was well known that Tim was the smartest kid at Shrine. He was my little sister Clare's godfather, way back in 1965 sorry Clare, which, I believe would have made him 16 at the time. I always thought that was pretty cool. But what I thought was cooler is how he rode his Indian motorcycle cross country after he got out of school. Yep, pretty cool. God bless-Alex

“ Dear Donna and kids: I am so very sorry for your lost. I enjoyed working with Dr. Hramits, Wednesday nights was our night. I still miss that part. He would always come out and say good night and thanks for the hard work and then let me know what to tell the answering service. He always stuck up for us girls dealing with the patients. I remember my first week working at Family Practice I gave out his beeper number to another dr - needless to say I never did that again. I will miss him terribly and your family are in my thoughts. God Bless to you all...Debbie
