“ Dear Laura, Jess, Elle and my Cauley Cousins, Timmy has always been a sweet and gentle soul with a gleaming smile that warms you. I will always think of him as the little boy who loved to play army man at our house or in Grandpa/Grandma Cauley's basement with my big brother Kenny. Those two were inseparable, the best of friends and now are playing together again. We all know how much each of you will miss Timmy, for you all love each other so much. We too will miss Timmy because we love him, yet believe he is in God's presence today glowing in peace and awesome love. Bless each of you, and we pray for your comfort in Timmy's memory to sustain you until your reunion. Love, Mike and Sheryl Cauley O'Donnell

“ Dear Laura and Jessica, We are all so sorry for your loss. I am sure you have heard of the poem the greatest dash and if not it is the dash between the dates of a persons life and when it ends. The dash is the part that matters most because it signifies the time ones been alive on earth and what they have accomplished. Well as for Tim if ever there was a soul who took that dash to heart it would have to be him. I believe that he tried to make a legacy of his life right up to the very end. Thanks for sharing Tim with us Laura. He was a wonderful soul and those who had the pleasure of knowing him will never forget him. All of us at Baypointe Dental Care send our hearts out to you and your family.
