“ My thoughts and prayers go out to your family during this most difficult time. I graduated with Tim from the Academy in 2004 and was also a classmate of his during training down in Texas. Sadly I lost touch with Tim when he got out of the Air Force. He was a patriot and a true friend. He will be greatly missed...

We are so thankful that Tim has a God who will never leave him, who has lifted him on high, who carries him right now in celebration of Christ's victory over death, who holds him safely in His forever-loving arms.*

“ *"Do not stand by my grave and weep. I am not there, I do not sleep. I am a thousand winds that blow, I am the diamond glints upon the snow. I am the sunlight on ripened grain and I am the gentle autumn rain. When you awaken in the morning's hush, I am that swift uplifting rush, Of quiet birds in circled flight. I am the soft star that shines at night. Do not stand by my grave and cry, I am not there, I did not die*

“ You all are in our prayers . We just found out today . I called Brandon right away and he was speechless . Tim and Brandon were on the Basketball team together at Kimball and they grew up just down the street from each other . Tim was in a basketball program that I ran when the boys were in Junior High and he was such a delight to be around . Life is not fair but God is always good . Somehow you will find the strength to get through this most painful and tragic event. You will survive because that is the kind of people with strong resolve and faith that you are. “ Sadly, I am here to say goodbye to Tim, yet not to my everlasting wonderful memories of him. I will remember his warmth, kindness, and intelligence. Hi willingness to work together. His quick smile and the way he would look down as he finished reviewing what was said and processed his thoughts before slightly pursing his lips and nodding in acknowledging he had made a decision. “ Tim Hughes was a USAFA classmate of mine and a close friend for many years. We were in the same Squadron all four years and even roomed together for a semester. He was a great athlete and always in the mood for a good time. Though quiet at times, he was fiercely loyal to his friends and loved by them all. My best USAFA memories have him in them, but I'll always remember the handshake and smile as we said goodbye after our commissioning in Doolittle Hall. I wasn't always there for him like he was for me, something I'll always regret. Even though we drifted apart, he left an indelible mark on my life--as he did with anyone who knew him. My condolences go to the Hughes family, and my heart aches for those robbed of his joy and thirst for life. He will be missed!!

“ Tim, although we will miss you during our remaining time on earth, we know that you are with God and that we will all be united together again, for eternity in heaven. Uncle Pat, Aunt Mary, Sharon, Pat, Beth and extended family; our thoughts and prayers are with you during this very difficult time. You can find peace knowing that Tim is in the perfect place with God and he will always be with you and you will be united again.
