“ I am so incredibly sad. We always had the best time together...he loved my kids and they loved him...he was uncle Timo! I have tried so hard over the years to find him with no luck, he was my buddy... we always had fun at work, 2 hour conversations on the phone, all the laughs, all the great memories...I truly loved this man with all my heart. Fly high buddy you are still talked about often over here and I hope you are at peace.
