Tim lived life to the FULLEST for 65 years until his untimely passing, due to medical complications relating to diabetes. He was a loved brother and uncle to 13 nieces & nephews. Tim would give the shirt off his back to anyone and everyone. His warm, kind personality and ever-present smile that lit up a room will be missed and remembered by many.

There will be a visitation at 9:30am followed by Mass at 10:00am on Wednesday, January 18, 2023, at Shrine of the Little Flower Catholic Church, Royal Oak, MI. Family will be welcoming friends immediately following at a luncheon.

Tim was the person that always showed up to visit someone in the hospital with flowers. Therefore, in lieu of flowers, please be like Tim and surprise a family member or friend with flowers.

“ I worked with Tim at the Long-distance company many years ago and played baseball with him. He was a great guy and a good friend. You are missed buddy.

“ Tim, old friend I miss you already. You always followed the beat of your own drummer , sometimes it lead you to the light other times to the dark. You never complained always had smile. I remember our adventures from boyhood to manhood and all our birthday conversations and the time you put your arm around me at my Dad's funeral. Your passing came way too soon. My life has been enriched by your lifelong friendship. God's speed on your journey and I'll see you on the other side.

“ *Tim was our neighbor here in the Babcock Cooperative. He was friendly and kindly toward me and was frequently on his balcony to wave and usually call out a friendly greeting in my comings and goings. May he rest in the eternal peace and love of our God. Sister Noreen Ellison*
