“ Dear Brett, We were so sorry to hear of your uncle's passing. We know how very close you were to him and we know you will feel his loss greatly. You are fortunate to have had a solid relationship with your uncle and because of that you will have many wonderful memories of him to hold in your heart always. Our prayers will be with you during this difficult time and we know that although he has left this earth in body, his spirit will remain with you throughout your life.
