“ *Sue, Joel, Audra and familiy, We are so sorry for your loss of Tim. There are no words to say that will make your pain go away. Know that you are in our thoughts and prayers. We will always remember Tim with his smile and waving at us from your garage. We will remember him sitting with Jerry in the lawn chairs and just shooting the breeze. Our children will remember him working on the car. They would often ask us, "Is he finished with the car yet?" Know that we will miss Tim. We will miss seeing him tinkering and doing what he enjoyed, shooting the breeze with his buddy and working on the cars. Treasure the memories, Shed the tears that you may Know that there will be a day That you will be able to smile When thinking of Tim. He is never far away Only a breath so they say May his spirit surround you At your time of grief May God give you strength To look forward to tomorrow Knowing you will see him again Only but a breath away. Thinking of you and your family at this most difficult time. May God bless you with peace and love and comfort you on your journey to healing. Kevin, Sharon, Kyle, Korey, Kacy Maliszewski*
