“ Tim will be greatly missed by everyone. He always had a kind word to say and loved teasing people. Everytime he saw Mariah my daughter he would always do his Donald Duck voice for her to make her laugh. He was a sincerely kind and generous man. May he rest in paradise. God bless my sister Tina and her children Tabitha, Timmy and Tiffany. May God give them strength in this time of grieving. Love Michelle Gene and Mariah

“ The never ending love for our family he had will live through us. He always lit up with joy and pride when Sam and Kali were visiting. I'll always laugh thinking of his major skills in couponing. \$200 of food for \$33. He loved it! The way he would get so excited about those wooden airplanes he bought. He and Sam would fly then till they cracked. Calls at night to tell me to watch a certain show ,or a recipe to try. Firework shows,baseball games, buying octopus during hockey season, the Christmas pickle, tightly wrapped arms when I was so distraught. What I'd give to feel that again. I love you dad!

“ *I remember when Tim and Tina came to see us and my son Colton who has autism, saw Uncle Tim's favorite hat and kept playing with it. Tim said he can have it and we said no he'll forget about it when you leave. Tim with his big heart left his favorite hat in garage for Colton without us even knowing. Another time my son Clayton was into basketball and he received tickets to see the Pistons in the mail from Uncle Tim. This is just a couple of examples of what kind of person Tim was, kind and generous and would do anything for you. We love you and will miss you. GOD BLESS*

“ My prayers are with all of you in this very hard time. Tim was basically my second dad growing up on Horton street, he even got to meet my kids during Holloween these last couple years. Both Tim and my dad are together now watching over us. Love to all of you, Hrisanthos Family.
