“ *What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch. We may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget.*

Kathy, Ben, and Nick...to the beautiful memories of Tim, husband and father!

All of my love, Robin

“ I met Tim at a time in my life where my spirits were low, Tim welcomed me into his tribe of friends and my life became fuller, and I became stronger. Tim was a champion to me, always encouraging and ready to help on any DIY project I had. He sat through many rounds of my bad golfing and my horrible bowling, but we laughed a lot in our over 20 year friendship. I was honored to be asked to be Tim's godmother and we spoke often over his love for you his family. Tim was a significant influence in my life, knowing when kind words were needed and sometimes where absolute honesty was required. I miss him every day, but knowing that his spirit will walk with me to the end of my days bring me comfort. Love you buddy!

“ *Kathy, Ben and Nick--- I am so sorry for your loss, Tim will be greatly missed. I will always remember the fun we had at concerts, Nascar races, football games and just hanging out. He was my technical wizard back in the day and would always drop everything to come help me set up a TV or computer. He was also very supportive of Danielle and always sung praises on how smart and amazing she is. He loved you all very much, family was his everything. You are in my thoughts and prayers.*
