“ *Arlene: You have all my thoughts and prayers for your loss of Tim. He was so good to my Mom and I for so many years. I loved coming home from work to find him, sitting with a cup of coffee visiting with Mom. He always made her laugh! I can just bet the two of them are catching up with the news over a cup of coffee right now. Both of you made our lives so much brighter. Thank you.*

“ *In 1963 my husband and I arrived in Us with our new baby and \$50 in our pockets. We lived with my parents and desperately wanted our own home. My husband found a job We went to see Mr. Simmons one day. He took us to a small home . Perfect for us in a nice area of Royal Oak. We told him we had only \$\$ from husbands job. He said I'll rent the house to you and after 6 mos. that will be your downpayment and then you will be buying it with mortgage. We were sooooo happy. We never let him down..... Thank you and God Bless, Mr. Simmons.*

“ Tim and his cigars, always remember the sweet smell when ever he came over. All the times we got to visit as children. Many memories from days long past. All the Christmas' he was the "driver" of Santa I suspect. I could go on and on.....Sad this day.

“ Dear Mr. Simmons, I want you to know that it was an honor for me to have spent the last two and a half years at your service. In that time we shared much and laugh hard...I looked forward to seeing you everyday, for we always had something new, something funny, or something ugly that needed to be told. I keep hearing that you are in a better place now... Well, try to convince my heart of that, specially when I see your empty chair, or the diet pop in the fridge, or when I hear how the stock market did today... How do you say good bye to a beloved friend? How do you put down what you meant to me in a thousand characters or less? I must go now... but you will always live in my heart, I will continue my love for you by loving the people you left behind... Thank you so so so very much... Mr. Simmons.
