“ Tim was a special person. When I went to Lear, he showed me that you can work in a pressure cooker but not show the pressure. He had a very even disposition and a good sense of humor. Personally, we had the opportunity to spend time with Tim and Gloria through the Welcome Club in El Paso and some time since. He was always fun and never had anything but nice things to say about anyone. He will be missed. We have Gloria and the family in our thoughts and prayers.
