“ Tim it won't be the same without you, you kept us in stitches...i will cherish my memories, like the time you drove the golf cart into the showroom window or when you took my puppy Tramp you said it was the ugliest dog you ever met...you were part of our family and we will never forget, you left way to soon, I know you're at peace making all the angels laugh.

“ Tim, It's so hard to know and understand you're no longer here. You were such a great friend. You always knew how to make us laugh. We will forever miss the sounds of your air horn you blew from your pontoon outside our bedroom window at 3 a.m. We will miss your smile, your laugh and your friendship. Each time we hear an air horn we will think of you. Every pole we cast, we will think of you. To our "Homie", we love you and you will be sadly missed. Gone fishin'.

“ Tim, it's hard to imagine that you're gone. I can't remember a time from my childhood when you weren't around cracking us up at the marina or at a family gathering. Thank you for so many funny memories. To this day we still tell the story of "the incident" with dad's new fishing pole. You used to bring us to tears laughing with you as you told us the funniest stories. Today we cry because you are no longer with us, but we will never forget you. Love, "Little Mare" Your Fishing Buddy
