

Tina Marie Yaney

September 24, 1960 - February 12, 2024

Tina Marie Yaney was born to Robert and Elaine Harm in Mt. Clemens on September 24, 1960 and passed into the Lord's loving arms on February 12, 2024. She had four siblings: Bob (and Linda), Penny (and Jim), Amy (and Dave) and David (and Shaynna). She loved her entire family but had a special and close bond with her two sisters. Her absolute joys, though, were her children, Joel (and Nicole) and Megan (and Bret), and there was nothing in life that brought her more of that joy than being Grandma to Laurel, Adeline and Vivian. She was married to Todd for 44 years: a courtship that started with a blind date; it was a relationship she loved to nurture her entire adult life.

With a heart and spirit as big as hers, Tina had many loves. She found joy in her ceramics and pottery, and was particularly inventive and creative in her crafts, which she loved sharing, especially for church and holidays. She was very proud of returning to college three years ago and completing her Associate's Degree in Arts. Mostly during the indoor months, she wasn't often far from a jigsaw puzzle, which she enjoyed swapping with friends. Of course, it was hard to match the absolute joy she would get from baking with the girls and teaching them.

Her lifelong work in the church was an extension of her faith. She was just as happy leading teams as she was being on the team and often did both, while always wanting to avoid center stage. Her faith was supremely important to

her and she took it very seriously and without compromise. Discussing Scripture and how it applies to our lives was a favorite conversation topic of T&T's.

Since she was little, she had the travel bug, which she passed on to her family, and included a number of trips to Disney World, creating some of her family's most treasured memories. After living in Germany for two years, Tina and Todd set a target to finish visiting all 50 states, which they celebrated in 2014.

Tina combined that love of travel, history, her faith, and her sense of adventure by spending three weeks in Israel just last year. She was so excited to share the experience and how real it made the Scriptures in her life.

Beyond compare, though, was the joy she got from watching the girls express the boundless delight they find in dance. She knew their talent was a wonderful gift from God and they just love sharing it. Knowing that it is a blessing makes it even more precious to them and everyone else.

Tina was also very practical – likely inherited from the German side of her family. Therefore, in lieu of flowers, Tina's family is requesting donations be made to The Multiple Sclerosis Society or LoveNotLost.org, a non-profit that provides family portraits for those with a terminal illness or Alzheimer's Disease.

“ Joining the Harm family was one of the best decisions I ever made. The love this family has for each other is amazing. I'm thankful for the memories I got to share with Aunt Tina - her laughter was definitely a big part of that. Thank you for loving my boys just like you loved Brian. You went ahead so we would have your smile to greet us at those pearly gates. 🙏

“ Tina, I know you are in a place of peace with our Lord Jesus Christ. However, I, as your oldest brother, and all of the family are broken hearted because we no longer will hear your laugh and feel your love in person. You were one great sister a brother could hope to have in a family. You will always be in our hearts as long as we are here on earth. When it's my turn to leave this world, please be there to welcome me into that eternal paradise where you are now. Your forever loving big brother, Bobby.

My sweet, sweet sister. My heart is broken, the tears flow and will not stop. I know you are with Daddy now. You were always so strong and determined yet tender and loving with a heart bigger than most. You were always there for me in time of need, I could always count on you. Life continues and I promise to honor you, keep your memory alive by speaking of you often. I will share your love of Jesus Christ to all who will listen. There will be a great revival one day, a revival you longed to be part of, I know you will be there. Until we meet again my dear sister I will miss you in earthly form.

Growing up Nextdoor to Harms and having Tina as a best friend. So many great memories! Walking together to school everyday. Our hikes out to Skeleton Cannon, building forts in the field behind our homes. Riding bikes for hours all summer long. Sleeping out in home made tents. Swimming at the AmVet pool. Trips in your family station wagon to the Dairy Queen. Playing the purse game that Bobby taught us. The world will be a little dimmer without you in it dear friend. Rest in heavenly peace, till we meet again.

Tina, your Heavenly Homecoming has left a huge hole in our hearts and lives. Val and I have not stopped weeping since we got the news. We know how much you love your family and your church. They are all one. With your departing we know how much concern you have for those left behind, especially Todd. Val and I promise you that we will love him and do all we can to care for him. We promise to stay in touch with him and try to keep up our weekly Sunday chats on the way home from church and meet him for lunch as much as he wants. We also promise to love him and be there for him always. Every time we talk to him or meet with him you will be there too. Before too long we will each look for you to greet us on our Heavenly Homecoming day. We love ❤️ you...Jim and Val Bradley.
