

Todd Jacob Miller

June 27, 1977 - October 20, 2014

Todd Jacob Miller was born on June 27th, 1977 in Mt. Clemens Michigan where he resided until he was 10 years old. In 1987 Todd and his family moved to Clinton Twp where they lived in their dream home on Cadbury, complete with their famous "While Away" Bar that his late father Marc Howard Miller built for them. He graduated from Chippewa Valley High School in 1995 and continued his education at Macomb Community College. He then began a career in banking as a lender that made him flourish to be the successful account executive at his current position. Todd met his wife Christina Marie Meyer while in high school and their love grew from a young age. They dated for five wonderful years before getting married on November 19th, 1999, or as Todd would say 111999...I can't ever forget it \= Christina has been the love of Todd's life for over 20 years and their three beautiful daughters are without a doubt, an extension of that endless love. Todd loved bonfires and a great cigar while relaxing with his friends and family as he "while'd the day away." He would often pitch tents in the backyard so he and his girls could enjoy the "great outdoors", but when morning came, he found himself alone, for the girls one by one traded the cold tent for their warm beds inside. Of course, not before the s'mores were all eaten. Todd's girls will always hold a special place in his heart...

Christina, his rock...his everything.

Sarah, his oldest...the apple of his eye; his forever "Buddy". Emily, his middle daughter...full of love, energy, and excitement, will always be his precious

"Emmers". And Isabella...his baby girl, will be his "Bella Mia" until the end of time.

There wasn't anything he wouldn't do for his family. Sacrificing himself for them was never a question, because "Tina and my girls deserve everything". Todd was very dedicated to God and the church. He was also passionate about helping others as a Stephens Minister. His genuine acceptance and love of others is what made him so special. Being able to help others during their times of need was what he felt he could do to give back to God. He was a selfless man, a kind spirit, a loving soul, and your best friend. Everyone that met him instantly fell in love with his charismatic attitude and amazing sense of humor. He will forever be missed. Todd was welcomed into Heaven on October 20th, 2014. His father and grandfathers welcomed him with open arms. Todd is predeceased by his father, Marc Howard Miller.

He is survived by his wife Christina Meyer Miller, Daughters, Sarah, Emily, and Isabella Miller, Brother and best friend Joshua Jennifer Miller, Parents Jo Miller and Robert Ramsdell, Christina's parents, Craig and Susan Meyer, Christina's Brother, Steven Michelle Meyer, Grandmother, Fay Woolrich, grandparents in heart Connie and Bob Filar and Dorothy Meyer., and countless aunts, uncles, and cousins. We invite you to come celebrate his life with us! Wm Sullivan and Son Funeral Home

“ My name is Samir Rashed, President of CREFCO Financial Group, Todd was our Account Rep at UWM. During our time working with Todd he showed many of us what hard work and positivity should be. I never knew he was sick, however, his passion for work, and upbeat spirit masked what he was going through. He and I often discussed meeting in Toledo with my nieces and nephews to meet his family. I'm sad to say we never got that chance. We would like to offer our condolences to the Miller family. May God bless you all during this difficult time.Regards,

May the Lord our God fill you with His peace that passes all understanding as you walk through this valley in your life. We love you all. “ Truly, I am so sorry for your loss. I worked with Todd and saw him everyday. We even sat together at a coworkers wedding. There is much I could say, but to be brief, Todd was always a happy and pleasant person to be around and always made those around him smile. Knowing Todd, I can truly say he has impacted my life and I am a better person for having met him. You will be in my thoughts and my hand outstretched for anything you may need.

“ When he came to a past employer I was actually his direct report as Team Lead. In an industry that is often highly stressful, this guy was beaming with positivity from head to toe. He had the kind of attitude that you only run into a few times in life... the kind where if someone would reject him in business or be rude to him and he would turn and smile and say God Bless... the type of person that attracted others to his orah of positivity and want to help others before himself. He will be missed and wish only the best for his family as I know he had smaller children. How sad, but very full filling to know he is definitely in a better place pain free, with no pills or therapy. While we are sorry for his loss, don't be, live on his POSITIVITY as he looked to make every single situation a learning experience and a way to help someone else, himself, or generally portray something positive out of the situation he was in. I know that's what he would want out of this. Use this moment as a catalyst to hug someone you care about, to help an employee asking for help, to be the good samaritan and go above and beyond for someone else's happiness. That's what Todd did, and what he would want. Smiles back at ya, Love ya man. ** To his family if you ever need a babysitter or help his network is huge! God Bless you. May his strength be forever in you!

“ The Millers have always held a very important part of my heart. From a young kid in youth group to an adult simply keeping up on Facebook. I spent a lot of time with Todd and Josh in basement bar at the Cadbury house and always cherish those memories. I have no words for this incredible loss to Todd's family and friends. My thoughts are with everyone.

“ Todd would rather do nothing more than hang out with his girls. He will be missed dearly. It didn't seem like there was anything that could make Todd upset. He always.....always had a smile on his face. No matter what he was going through he was always smiling. I am sure the pain he endured was far more than anyone would ever know because of how positive and up brat he always acted. Todd is through with his suffering and has entered the kingdom of God. Many many prayers for comfort and understanding and peace for his girls Christina, Sarah, Emily, and Isabella. May God heal your pain.

“ Todd was blessed with the innocence of a child, the guts of man, the wisdom of a Dalai Lama, but most importantly, he was blessed with the heart and faith of a giant. Greetings that included bear hugs and the sharing of “I love your guts bro” will be missed. As a brother in Christ and by sharing his personal blessings, Todd helped topolish my “faith mirrors”. Now, as a result of that polishing, I am reflecting Christ’s love a bit more brightly! We would all be extremely fortunate to leave such a legacy. He continues to live in my heart.

“ Todd not only baptized me, but anchored me by teaching me a major secret in life. He taught me to let go of things and let those things roll off the shoulders.
