“ *Mr. Longo was my physical education teacher back in the 70's. He was cool. He taught well and did laugh with us when we were well behaved.*
I ran into him in the early 2000's at the union organization that I was working for. He looked the same except for his gray hair. I was surprised that he remembered me after so many years. He recalled that my mouth was always running in class. We laughed when one of my co-workers yelled "nothings changed!" That was a blessing for me to see him. My condolences to his family. May the joy of the Lord be your strength!

“ *I am very sad to hear this news. Although I did not see Uncle Tommy a lot, every interaction involved a good story, a smile, and numerous laughs. He warmed my heart and made me feel I was the most important person in the world at that moment. At the track, Uncle Chas said Tommy was the luckiest person he knew; we agreed that good things happen to good people and Tommy was one of the best. Thank you for the memories. Love and prayers to you all. Patrick Cox.*

“ *Very few people experience a lifetime friendship as Pat and I have with our dear friends Tom and Mary. The four of us have spent countless social and emotional experiences over the past 50 plus years. Although Tommy has gone to be with the Lord, we will strive to carry on Tom's example of Family and treating all people equal. He was a true ambassador of what humanity should be. Tommy, we will always keep you in our thoughts and prayers, Rest in Peace our Dear Friend. Forever in our hearts.....Tony and Pat*
