“ Grandma got me on my first coasters, but Uncle Tom helped me vanquish the fear once and for all. I remember only bits and pieces of the Cedar Point trip that I made with Uncle Tom and Uncle Bud's families. Two things stand out that I will never forget. The first was Uncle Bud shaking the table and asking Aunt Sharon to sit down in a panicked voice I she walked across the restaraunt. The second, is Uncle Tom taking me on the magum for the very first time. I tried my hardest to slouch in my seat as the car clattered up the hill, and when we got to the top, he shouted, "look Mike!" I did, I saw a grand view, and then screamed all the way down. Thanks, Uncle Tom, for everything.

“ Our deepest sympathy to the family. We knew Tom for only a short period of his life but knew how much he loved his family and cherished his children. This loss weighs greatly on our hearts. Do know that one day, out of the blue, things will look bright and clear again. It is only that day that we cannot predict. Live each day with a smile on your face and know that Tom will always be with you.

“ *Were a huge, close family and were going to get you guys through this. Along with the grace of God holding our hands and guiding us all, we all have many gifts to offer during this painful time. I am going to miss Tom, especially our breakfasts out when he was the only person who understood me hint: Sharon & Gary know why, hehe I do know that Tom is watching over us and is happy he has no tubes and is pain free and walking. Love, Bev*
