“ I have very fond memories of Big Tom. I lived at his house on Dawes before I turned 18. He shared what he had and knew without hesitation, He was a kind and caring man and will be sorely missed by family and friends alike. Ill see you on the "Dark Side Of The Moon" my friend.

“ Over the years Tom and I have worked on a few projects together. We would laugh a lot at life in general. If you ever needed a hand Tom was there to help you out, teach you what you needed to know and encourage you to get it done. But most of all Tom was a good friend. I could write a book of Tom stories,as many of us could that knew him. He was talented at so many things you just cannot list them all and I dare not try too. As I write this thinking of my friend I realize that in the 39 years I have known him I cannot recall a single person saying a bad thing about him. I think that in itself says a lot about the kind of man he was. I know all of us will miss him dearly and words cannot express the sadness we all feel right now. God bless you Tom.
