Tracey's service was very beautiful and touching. Thanks Deb for all you shared with us! It was as if I was there. Everything in the service touched my heart and I was able to stay calm until the Bag Piper, then I lost it! Thank you for zooming Tracey's service for all of us who could not attend in person! “ *Tracey is looking down at all of us saying please don't cry for me because I am gone. Every pain I have is gone and I am free and at peace. I am watching my family and friends and I will look down at all of you. God said "come to me Tracey because it is now time, you are to be with Me forevermore".*

God bless you Tracey. You left this world much too soon. I have no doubt that you will continue to bless us all as an angel in Heaven- just as you did as an angel here on earth. My sincere condolences to her family and friends in your loss.

“ Where do I begin, she was a beautiful soul, she was the kindest person she had a huge heart, amazing, positive and always had a smile I mean not a smile it was big bright beautiful just like her. She love to bake and that was one thing she always did for her fundraising for Susan G. Komen. Tracey will surely be missed. I was blessed to know her my prayers are with of her family and also to the Babes💔💔💔

“ Tracey was such a sweet person inside and out. I always took advantage of supporting her 3-day walks by purchasing a bunch of cookies at Christmas time! She was a great baker! I remember she even came to my Halloween party as a chef! So many good memories come to mind when I think of her. She will not be forgotten. Prayers to her family during this difficult time.

“ *I first met Tracey at Ohana. She was kind and welcoming. She was determined and strong in her passion to her family and her fight to find a cure for Cancer. She never gave up on the hope that someday the cure would come. Her smile is permanently etched in my mind and heart. Rest easy my friend. You are loved and missed by all who knew you.*

Tracey will forever be in our hearts and on our minds. The 3-Day will carry her with us, every step of the way, until we don't need to walk anymore.*
