“ I was thinking back to all the fun memories I share with Tracy, trying to celebrate who she was, and I couldn't help but remember the time she drove from Big Rapids to Mt. Pleasant to pick me up then to Kalamazoo to see camp friends, adding a lot of time to her drive. When she told me she was coming to get me, I just thought really, someone wants to do that for me? But, that was how she was with everyone, she made you feel special when really she was the special one. I will miss her kind, generous heart. I was blessed to have known her. She's certainly been my example, and will miss her dearly. I know she is in heaven now, watching over all of us, especially her beloved Kevin and Elaine.

“ Kevin, Lainie and the rest of your family - Tracy was a sweet, gentle, loving soul who touched me and my life. I am so sorry for the loss of this wonderful person from your lives. We are all better people for having known and been touched by her. I am so sorry that you all have to go through this, but I hope that each day is a little easier than the one before and, in time, that you'll be able to talk about her with smiles and laughter. And those times that she would have helped with a decision or problem, that you'll be able to close your eyes and imagine what she would have said. Again, I am so sorry for all of you - you are in my thoughts and prayers. Love, Laine Elaine Shulman
