“Bud” I wish i had known you longer! But i am grateful for the last four years. You were a great man! You definitely could always make me laugh! You told me i could live in your home till my hair turned black which was really cute considering i have blonde hair so its gonna turn white. When ever my car needed work you were the first one out there to check it out. I always feel like i hear you calling me "little girl, can you poor me some coffee?" i will miss you very much ... i love you -shauna
