“ I am so heartbroken for all of you. I cannot imagine your grief. No parent should ever have to bury a child. It is difficult being in Florida know my friend is hurting so.

“ Chrystal, Yvonne, Jim & all the family, It was my great honor to have known Trevor. His life was & is an inspiration to me. He had such a great boundless soul. His passing is certainly a shock & I'm sure unbearably painful for all of you right now. But I am so happy he had the love & support of such wonderful people in his life & he was so deserving of that support! In between our house-hunting & business together we spent much time sharing our common life philosophies & knowledge of Buddhist teachings. He was a pleasure to deal with in every way, handsome as the day is long, & eager to live, learn & experience what was placed before him each day. He will live in MY heart for the rest of my journey on this earth & I know he will be with you in yours. With great sadness for your loss but great happiness for his incredibly expanded soul - Namaste. Nan
