“ All the fun we had in your apartment Trude. You taught me many things. Poker,cooking tips, how to use my smartphone but most importantly how to laugh and be a friend. You are really gonna be missed down here but I know we'll be together again . Your joyful spirit is where it belongs now. We love you. Sandy & Joe

“ Trude and I go back 20 + years, she was my bingo buddy, that is how we met. I have never know a more courageous, strong, and passionate lady. Lol, lady, she'd be beating on me for that one. She not only made so many laugh, fall off their chairs and pee their pants, but she inspired so many. No matter what she was going through, she was there for you. Keeping her family and friends in my thoughts and prayers. I will also miss that big personality of hers. Will always love you and miss my sweet friend.
