“ I feel very fortunate to have had Mrs. Burns as a part of my life. I fondly remember her cheering us on at swim meets, having Thanksgiving dinner at her house and playing bells with her in the bell choir. She threw me a bridal shower, watched me have children and gave amazing advice along the way. I will miss Trudi's warm smile, quick wit and charm. Heaven truly gained an angel.

Our thoughts and prayers are with you. We are so sorry for your loss.

*Love and hugs,

“ I have many treasured memories of Trudi which include golfing, many shared dinners, movies and church events. However, my very favorite memory is of Trudi laughing and playing with the dolphins in Costa Maya, Mexico. I will sadly miss Trudi's smile, laughter and the companionship we shared. May you rest in peace Turdi.

*In friendship and love.

I just saw this, and please know that I have Bob and his wonderful girls in my prayers. Trudi was such a big part of my youth; she was joyous and brave and fun and irreverent and pretty much the perfect friend. She was so proud of her girls and loved them fiercely. She is so with God. Much love, Barb Marshall
